

Introducing the **NEW**

ESCAPE

This popular off-road model is ideal for the family, or couples who want that bit of extra room to move. You can easily tow the Escape behind a 4WD, and set up is quick and simple. The camper opens up to over 5 metres of living space – plenty of room for a swag, bunks or extra storage.

As well as a fridge box, battery system and storage pantry, in 2018 the Escape comes with independent suspension, 17" alloy wheels, Alko off road ball hitch, LED bedside lighting, twin USB ports, DC-DC battery charger, solar input and dual recovery points as standard. This Cub also comes with queen or single beds as a layout option.
