

Introducing the **NEW**

FRONTIER

THE ONLY 100% AUSTRALIAN MADE FORWARD FOLD CAMPER TRAILER

The Frontier is light to tow, easy to open and close (it takes 1 person less than a couple of minutes) and is perfect for those who want to escape with their home away from home. It has lots of living space and storage space and you don't have to worry about fitting into that small campsite space – if the trailer will fit, so will your tent! Comfortably sleeping 4 adults the Frontier has a Queen-sized bed and the innovative, swivel-mounted dining table and plush, macro-suede lounge, easily converts into an additional double bed. The kitchen features a fold-out shelf, Smev 3-burner stainless steel stove and a stainless steel sink. There's a luggage rack at the front of the trailer, and a 100L heavy duty water tank as standard – so there's no need to use your storage space to carry water on those long trips.
