

Introducing the **2018**

LONGREACH

The 2018 Longreach has everything the adventurous family needs for an unforgettable holiday – and more. Now with independent suspension and silent winch as standard, 17" alloy wheels, Goodyear Duratrac tyres and full electrics – DC-DC battery charger, electric water gauge and pump, bedside lights and loads of USB sockets. All the comfort and durability of a caravan, but so much easier to tow! Of course, it still comes with stacks of storage space, and plenty of room on the hard floor for extra bunk beds. A deluxe awning, which doubles the living space, is standard. A win-win! The queen size bed is a leg-stretching 2100mm, or choose twin beds.
