

Traveller

OUR ROOMY
MID-SIZED TOURER

Perfect for families and couples who want a reliable on-road Aussie-made camper trailer.

The Traveller is light to tow, easy to set up, and opens up to over 5 metres of living space. So there's plenty of room to throw down an extra swag or set up some bunk beds. You can also choose between queen and twin beds. The 2017 model features electric brakes as standard, a locker box with cushion and a higher load capacity – so you can take more with you! There are stacks of optional extras: add a cupboard with portaloo, extra storage and more.
